JACKSON & PARTNERS AND MAZZONE LAUNCH "WORLD SERIES" GLOBAL PRODUCT LINE OF READY-TO-EAT MEALS

FOR IMMEDIATE RELEASE

(Illinois, October 2, 2020)

Jackson & Partners and **Mazzone** have teamed up in partnership to launch the "**World Series**" global product line of ready-to-eat meals.

Touring the world one meal at a time, the World Series product line offers customers authentic, chef-inspired recipes from such countries as India, China, Greece, Mexico and expanding into other countries soon.

Jackson & Partners and **Mazzone** are committed to using high-quality ingredients that are healthy, sustainable and taste great. This partnership combines **Mazzone's** expertise in food manufacturing with **Jackson & Partners** sales and marketing savy in the food industry.

Jackson & Partners and **Mazzone** are coming together to create this new winning concept in ready-to-eat meals.

"Mazzone and Jackson & Partners share a passion for providing customers with fresh-tasting, high caliber products, so the partnership was a natural fit for us," commented Vincent E. "Bo" Jackson, the CEO of Jackson & Partners, LLC.

"We are excited that we found a partner that was ideally suited to help us co-create a premium global cuisine product line worthy of the World Series brand."

"Jackson and Partners is the perfect fit for us in combining our R&D and manufacturing capabilities with Jackson & Partners' all-star sales and marketing professionals truly making this a dream partnership", stated Carl Mazzone, the President of Mazzone Pasta, LLC.

"The possibilities are endless creating a game changer in the food industry."

Jackson added, "We're proud to co-develop a product line that embodies both of our company's core values of food sustainability and innovation in the marketplace."

The World Series is a tremendous opportunity to bring global cuisine to hungry consumers everywhere – one country at a time. Together, we're excited to offer this new World Series product line coming soon to a retailer near you.
